15. (Internal Use Only - LLM) Called Alex Schnee, Department of State, to learn what he could tell me concerning the amendments which were ordered favorably reported, but not reported yet, on S. 3390, Foreign Assistance Act of 1972. He said he did not have the precise language of the provision restricting transfer of funds to other agencies, but that the bill had been amended to prohibit any assistance "under this or any other law" for military operations by third country nationals, which the conferees had dropped from the Foreign Assistance Act of 1971.
